

Pothula Bhargavi Venkata Naga Sai

Phone: 9652444008 — bhargavivenkatanagasai@gmail.com — 28-3-17, Subbarayudu Temple Street,
Palakollu Mandal, Palacole, West Godavari, Andhra Pradesh – 534260

Professional Summary

Motivated B.Tech Information Technology student with foundational knowledge in **C, Java, and Python** and hands-on exposure through virtual internships in **Artificial Intelligence, Machine Learning, Full Stack Development, and Cybersecurity**. Strong problem-solving ability, adaptability to new technologies, and commitment to completing project-based learning. Seeking an entry-level IT role to contribute technical skills and grow professionally.

Technical Skills

- **Programming Languages:** C, Java (Basics), Python (Basics)
- **Development Concepts:** Frontend Basics, Backend Basics, Full Stack Fundamentals
- **Cybersecurity:** Ethical Hacking Concepts, Vulnerability Analysis, Security Awareness
- **Tools:** MS Office, Internet Research, File Handling
- **Soft Skills:** Communication Skills, Logical Thinking, Adaptability

Education

B.Tech in Information Technology	2023 – 2027 (Pursuing)
Swarnandhra College of Engineering and Technology, Seetharampuram, Andhra Pradesh	
Intermediate (MPC)	2021 – 2023
Coconut Merchant Govt. Junior College for Girls, Palakol, Andhra Pradesh	
SSC	2016 – 2021
BVRM Girls High School, Palakol, Andhra Pradesh	

Virtual Internship Experience

AI-ML Virtual Internship — EduSkills Academy (Supported by Google for Developers)	Oct 2025 – Dec 2025
• Studied core AI and ML concepts and applied them through structured assignments and assessments to understand model workflows. • Worked with sample datasets and ML tools to practice data handling, model training, and evaluation. • Completed hands-on exercises focused on supervised learning and real-world problem understanding.	
Java Full Stack Developer Virtual Internship — EduSkills Academy	Jul 2025 – Sep 2025
• Learned frontend and backend development flow and implemented basic Java programs to simulate server-side logic. • Understood application architecture, request-response cycle, and data processing fundamentals. • Completed practical training modules reflecting real-world full stack development scenarios.	
Ethical Hacking Virtual Internship — EduSkills Academy	Apr 2025 – Jun 2025
• Explored cybersecurity principles, common vulnerabilities, and methods to secure systems against attacks. • Analyzed case scenarios to understand ethical hacking practices and risk mitigation techniques. • Performed guided security tasks to identify and prevent potential threats.	

Certifications

NPTEL Online Certification — Software Project Management, IIT Kharagpur	Jul 2025 – Oct 2025
NPTEL Online Certification — Problem Solving Through Programming in C, IIT Kharagpur	Jul 2024 – Oct 2024

Languages

Telugu (Native) — English (Advanced)
